The Portal contains tooltip software on certain questions and application elements, which will appear when the user interacts with an element to provide additional information. Simply hover your cursor over the question or element for the tooltip to appear.

If you need further assistance or have questions about the Portal, please use the Virtual Assistant in the screen's lower right-hand corner or contact the RVCRI team via email at [RuralVCRI@policinginstitute.org](mailto:RuralVCRI@policinginstitute.org).

Figure 1. Registration

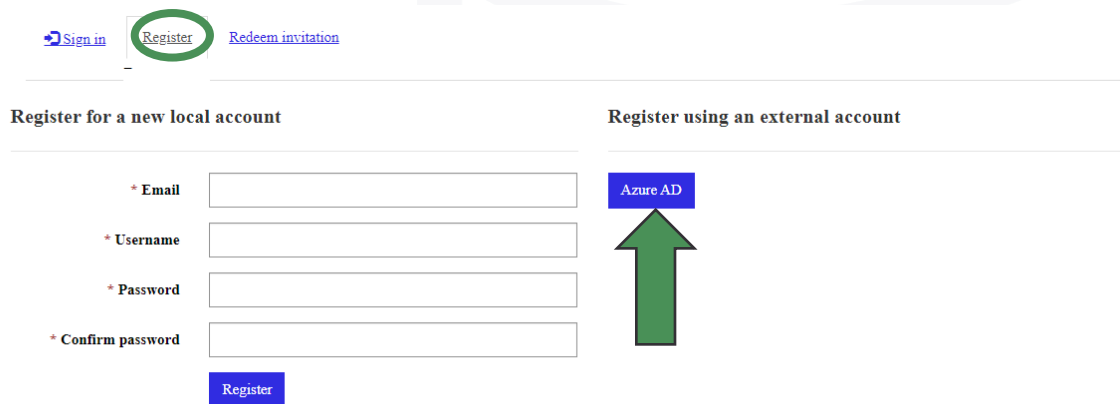

There are two ways to register for the Portal:

- Azure AD – a one-click registration option. This option requires an email account through Microsoft Outlook.
- Local Registration – a standard account registration option. This option allows for any email account to be used and requires the standard account creation fields of email, username, and password.

**Only one email can be used to create one profile at a time. The registration type that you select will also be the log-in type that you use.**

### *Azure AD Account Registration*

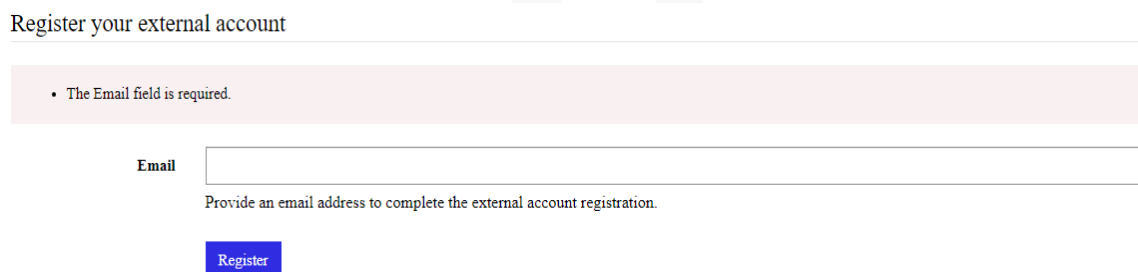

Sign-in and register for the Portal with one click using a Microsoft email account through your agency (i.e., [name@youragency.com](mailto:name@youragency.com)).

The screenshot shows the top navigation bar with 'Sign in', 'Register' (circled in green), and 'Redeem invitation' links. Below is a form with two tabs: 'Register for a new local account' and 'Register using an external account'. The local account tab is active, showing fields for \* Email, \* Username, \* Password, and \* Confirm password, with a 'Register' button at the bottom. To the right, under the 'Register using an external account' tab, there is a blue 'Azure AD' button. A large green arrow points from the 'Azure AD' button towards the local account registration fields.

*Figure 2. Azure AD Account Registration*

Once you click the *Azure AD* button, you will be asked to enter your Microsoft email address and click the blue *Register* button.

The screenshot shows the 'Register your external account' section. At the top, there is a red error message: '• The Email field is required.' Below this is an 'Email' label next to an empty text input field. Underneath the input field, it says 'Provide an email address to complete the external account registration.' At the bottom of this section is a blue 'Register' button.

## FREQUENTLY ASKED QUESTIONS (FAQS)

In addition to the *Resources* tab, the Portal has a Frequently Asked Questions (FAQs) section. You can locate the *FAQs* under the *Contact Us* tab. These questions provide general information about the RVCRI and the application process.

If you have additional questions, please contact the RVCRI Team at [RuralVCRI@policinginstitute.org](mailto:RuralVCRI@policinginstitute.org).

What is the RVCRI? -

The RVCRI is an effort, funded by the Bureau of Justice Assistance (BJA), to aid rural law enforcement agencies with improving investigations, implementing violent crime reduction strategies, and enhancing collaboration between local stakeholders. This will be achieved through the provision of training; deployment of technology; improvement of communication and collaboration between stakeholders; and expansion of community-based crime prevention programs and partnerships with victim services providers. The National Policing Institute (the Institute) partnered with Local initiatives Support Corporation (LISC) and the Small and Rural Law Enforcement Executives Association (SREELA) to provide training and technical assistance (TTA) to rural law enforcement agencies implementing and enhancing resources such as personnel, equipment, services, and analytical tools to address rural violent crime; document how personnel and/or resources will be used to reduce violent crime; and track outcomes to determine the impact each violent crime reduction strategy had on operations. The RVCRI Team will work with grantees to establish, implement, and measure the success of their strategies and strategic plans by:

- Providing comprehensive recommendations to ensure key strategic elements are addressed;
- Creating a repository of evidence-based best practices and communities of practice;
- Supporting the establishment of clear data collection processes to measure outcomes in a manner consistent with the SARA model; and
- Conducting regular meetings to track progress and identify TTA and peer learning opportunities

You can find additional information on the RVCRI program here. The RVCRI Application and Solicitation information can be found [here](#).

List project partners (including criminal justice agencies, community organizations, and service providers) who are or may be involved in program implementation. Clearly identify individual(s) within your agency who will be responsible for implementing the grant and individual(s) administrating the grant (i.e., financial responsibility).
<b>Plan for Measuring Success and Outcomes and Program Sustainability</b>	Describe your agency’s willingness to work with the TTA provider on implementation, outcome tracking, and final report production. Outline a proposed plan on how your agency intends to measure success and outcomes that demonstrate the results of the work carried out under the award tied to a problem-solving framework, such as the <a href="#">SARA Model</a> . Discuss how your agency will sustain the project beyond the grant period.
